IFSS race rules apply

THE ENTRY FORM IS FOR 1 ENTRY ONLY.

Scott's Ferry Site, with its restored barge, is a rare reminder of the importance ferries played in New Zealand in the days before bridges were common. Prior to the introduction of a coach service in the 1870s, the main route from Wellington north to Wanganui and beyond was around the coastline. Today, Scott's Ferry Site is a rare memorial to a form of transport that was common in New Zealand in the nineteenth century. It is also associated with Thomas Scott, a notable figure in the history of the Rangitikei region.. Within easy commuting distance from New Zealand's Capital city Wellington, and from nearby Palmerston North.

The Scott's Ferry community is within a 10 minutes easy drive to Bulls should you need any supplies and food and drinks.

The race vet will be on site . If you need any veterinary assistance outside the race event, the closest Vet is Totally Vets in Feilding (25 Manchester Street, Feilding 4702; Phone: 06 323 6161

Alternative Options are:

Massey University Veterinary Teaching Hospital, Palmerston North (06) 350 5329 Or
